

Protection concept Museum Langmatt 2021

The protection concept is based on Federal government recommendations and those of the canton of Aargau, the VMS (Association of Museums of Swiss Museums) and the GastroSuisse association

Park and outside areas

- No mask and certificate obligation in the park
- Masks are compulsory in the outdoor toilets and in the Veranda Café.
- The exhibition "Space Travel", the Garden House and the Greenhouse will remain closed until further notice and will only be opened upon request with verification of the certificate

disinfection

- Please disinfect your hands as you enter
- No-contact disinfection stations are located at the main entrance and outside the Veranda Café
- Disinfectant dispenser in all toilets
- The rooms are regularly ventilated
- Disinfection of all neuralgic places and surfaces several times a day
- Tablets and smartphones for audio guides are disinfected after each use

museum

- Access to the museum is only possible upon presentation of the COVID certificate. The COVID certificate is checked using the "COVID Certificate Check" app. To visit the museum, the COVID certificate must be presented upon arrival at the museum. The certification requirement applies to visitors aged 16 and over. Access control must be carried out using a suitable ID card with a photo
- There is no mask requirement in the publicly accessible and controlled indoor areas. A mask must be worn until the certificate examination at reception and to visit the museum shop
- All public events must be registered on the museum website. The number of places is limited due to the different room sizes
- Plexiglass barriers at the reception
- Cashless payment at the cash register possible / desired
- Activities for children are disinfected and quarantined after use
- Audio guides for the exhibition and for offers in the park work contactlessly via app on your own device
- The cinema remains closed
- The exhibition "Space travel" is open by appointment only
- The garden house and greenhouse remain closed

Toilets

- Please clean your hands thoroughly as instructed by the BAG
- Paper towels and disinfectants are available

Veranda Café (indoor area)

- Guests, take-away consumption, do not need to have a certificate. They are required to wear masks indoors and to keep the distance of 1.5 meters
- Guests are requested to stay in the Veranda Café only as long as necessary and, after serving themselves, to consume outside
- Doors in the Veranda-Café are open whenever possible
- Cashless payment with Twint possible / desirable

LANGMATE

- Contactless waste bin
- Disposable cutlery and cutlery, napkins are individually packed

Veranda-Café (outside area) and park

- A distance of 1.5 meters applies on the terrace. No COVID certificate requirement and collection of contact details

Social distance

- It is recommended; to take into account the distance of 1.5 meters despite the requirement for a certificate
